Construction Update

December 2021

CREATED WITH CARE BY
SKANSKA

Welcome to our monthly construction update newsletter, which we use to keep you up to date with the latest news from Mindenhurst.

Skanska is committed to keeping the communities we operate within up to date with construction works and we continually seek to minimise the impact of our construction work on local residents. Our regular community newsletter seeks to give you construction news updates and a direct, on-site point of contact for any concerns or queries you may have.

Construction Update

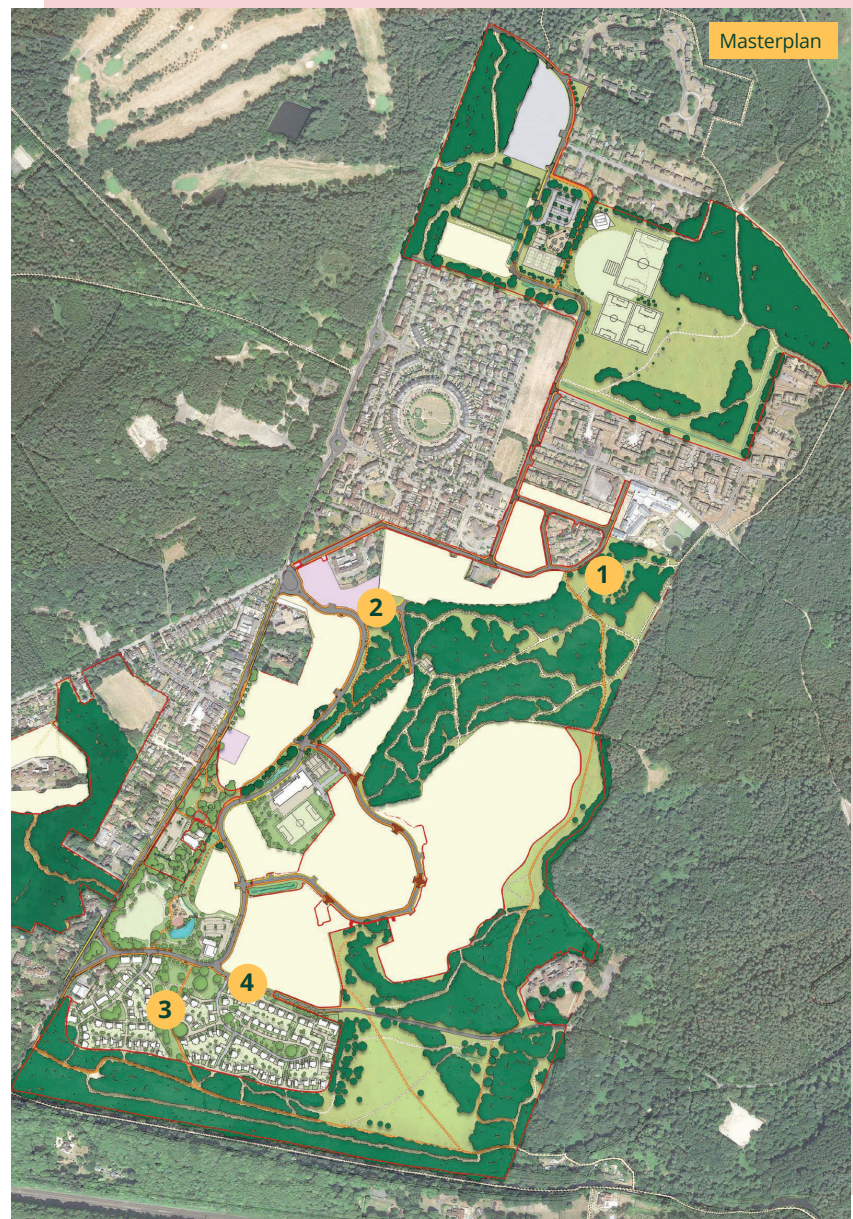

- 1 Landscaping works will be continuing on the Eastern landfill which includes planting and seeding.
- 2 There will be ongoing works to the 'Bovis Bank' which is located at the top of Royal Way. This includes removal of contaminated ground and replacement with topsoil and planting. These works will continue into the New Year when our landscaping contractor will take over to seed and plant in this area.
- 3 Landscaping works have now recommenced on the Green Swathe following the remediation that took place in November. Contractors are working in the area installing the new footpaths and infilling the area with topsoil suitable for landscaping works to follow.
- 4 Works will commence on the Cala access for Parcel M2 – this is the access just outside of the current Princess Royal Barracks main entrance. These works will involve kerb and road realignment and installation.

Calling all Elf Detectives

We have heard reports that playful Christmas Elves are heading to the Central SANGs again from 10th to 20th December.

We need some help checking up on them to make sure they are not getting into too much mischief. So why not have a festive walk through the Central SANGs and see who you spot playing in the trees!

If you want an extra challenge, use the QR code below, to find a quiz about the elves. Send your answers to us at hello@mindenhurst.co.uk by 20th December for your chance to win a £50 National Trust Voucher.
